

Assembly Bill No. 1188

CHAPTER 886

An act to amend and supplement the Budget Act of 1997 (Chapter 282 of the Statutes of 1997), relating to state government, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 11, 1997. Filed
with Secretary of State October 12, 1997.]

On this date I have signed AB 1188.

Assembly Bill No. 1188 would restore funding for various departments that was vetoed from the Budget Act of 1997 pending enactment of legislation for a mandatory testing program for all pupils in grades 2 through 11.

I am signing AB 1188, however, I am reducing the appropriations by a total of \$6,054,000 because these projects are not a sufficient priority to justify their funding.

I am eliminating the \$37,000 appropriation made in Section 2 from the Environmental License Plate Fund to the Department of Conservation for farmland mapping in Mendocino County.

I am eliminating the \$80,000 appropriation made in Section 4 from the Environmental License Plate Fund to the Department of Parks and Recreation to fund a grant to the City of Redondo Beach to refurbish ponds and paths in Wilderness Park.

I am reducing the appropriations made in Section 5 by a total of \$750,000 from the Public Resources Account of the Cigarette and Tobacco Products Surtax Fund to the Department of Parks and Recreation. Subsection (d) would appropriate \$500,000 to the City of Maywood to acquire land for a regional park and recreation facility. Subsection (e) would appropriate \$250,000 to the City of Clearlake for the construction of a new senior center.

I am reducing the appropriations made in Section 6 by a total of \$132,000 from the Natural Resources Infrastructure Fund to the Department of Parks and Recreation. Subsection (c) would appropriate \$100,000 to the City of San Jose for the Vietnamese Cultural Heritage Garden. Subsection (d) would appropriate \$32,000 to the Youth Garden Alliance for a community garden in Mendocino County.

I am eliminating the \$2,000,000 appropriation made in subsection (a) of Section 14 from the General Fund to the Commission on Teacher Credentialing (Proposition 98) to fund expansion of the California School Paraprofessional Teacher Training Program.

I am eliminating the \$55,000 appropriation made in subsection (b) of Section 14 from the Federal Trust Fund to the Teacher Credentials Fund to fund the costs of the Commission on Teacher Credentialing in administering the California School Paraprofessional Teacher Training Program.

I am eliminating the \$3,000,000 appropriation made in Section 16 from the Air Pollution Control Fund to the State Air Resources Board to fund stationary source air pollution control activities. This section is duplicative of Section 32 of AB 1571, and is therefore, unnecessary.

PETE WILSON, Governor
